ABOUT ME

Hello, I am Mafiur Islam, residing in Ashoknagar, West Bengal. I am 22 years old and hold a degree from Netaji Satabarshiki Mahavidyalaya College in Ashoknagar.

My professional expertise lies in **web design, with over a year of dedicated learning experience**. I excel in transforming web PSDs into fully functional web pages, proficiently identifying and rectifying any errors that may arise.

As a passionate web designer, I possess a robust foundation in **HTML, CSS, jQuery, Bootstrap** and **Photoshop**, and I am actively learning JavaScript to further enhance my skill set. I take pride in crafting visually appealing and user-friendly websites that prioritize an exceptional user experience.
